PRE-EXISTING CONDITION LIMITATIONS and SPECIAL ENROLLMENT RIGHTS

Pre-existing Condition Limitation

This group health plan contains a pre-existing condition exclusion that is limited to a maximum of 12 months. This exclusion period can be reduced by the number of days of your prior creditable coverage. When applying creditable coverage to the pre-existing condition limitation, the plan is not required to take into account any days of creditable coverage that precede a break in coverage of 63 days or more. To determine if any pre-existing condition limitation will apply to you, you may present your certificate or certificates of prior creditable coverage.

Creditable coverage can include coverage under another group health plan, an individual health policy including a short term plan, Medicare, Medicaid, CHAMPUS, Federal Employees Health Benefit Plan (FEHBP), a medical health care program of the Indian Health Service or tribal organization, a state health benefits risk pool, any public health plan, governmental plans, church plan or a health plan issued under the Peace Corps Act. You may request a certificate of creditable coverage from a previous employer, insurance company or Health Maintenance Organization (HMO). If necessary, we will assist you in obtaining a certificate from any of these entities. This Pre-existing Condition Limitation notice is being issued to you pursuant to the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) and reflects the protections afforded under federal law. If the state law applicable to your plan is more beneficial to covered individuals as to the length of the pre-existing condition limitation and permissible break in coverage, the relevant state law provisions will apply to and be part of your plan.

Special Enrollments

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may, in the future, be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 31 days after the involuntary loss of other coverage. In addition, if your current coverage changes or you have a life-changing event, such as your marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 31 days after the qualifying event. Coverage will become effective on the date of the qualifying event.

Late Enrollees

If you waive coverage at the original effective date of your employer's plan and do not qualify as a special enrollee, coverage will start as follows:

- If your employer's plan has been in force for less than 12 months, coverage will start on the plan's first anniversary.
- If your employer's plan has been in force for 12 months or more, coverage will start on the first day of the month following the date the Employee Enrollment Form is signed.

If you are hired after the original effective date of your employer's plan and request enrollment for yourself or eligible dependents following the initial enrollment period, coverage will start on the first day of the month following the date the Employee Enrollment Form is signed.

An enrollment form that is more than 60 days old will be returned for updated information and signature, and the effective date will be the first of the month following the date the original enrollment form was received by Starmark. The pre-existing condition limitation above applies.
